Dear Skyhoundz Contest Host:

Thank you for your interest in the Hyperflite Skyhoundz World Canine Disc Championship Series. The Hyperflite Skyhoundz Series is the largest disc dog competition series in the world and represents canine entertainment at its finest. The 2010 stable of Skyhoundz Canine Disc Competitions available to your organization includes:

**Hyperflite Skyhoundz Local Championships**  
**Hyperflite Skyhoundz State Championships**  
**Hyperflite Skyhoundz DiscDogathons**  
**Hyperflite Skyhoundz Xtreme Distance Challenges**

Skyhoundz provides competition packages to qualified groups or organizations (hereinafter, "Hosts") that wish to conduct canine disc contests as part of the Hyperflite Skyhoundz Canine Disc Championship Series. This letter requests confirmation of your organization's interest in hosting a Hyperflite Skyhoundz canine disc competition during the 2010 competition season.

In order to ensure that the Skyhoundz Series continues to meet the needs of competitors and Hosts, a number of changes have been made to the Skyhoundz Competition Formats for 2010. As always, Skyhoundz will continue to supply a free Basic Package to Local Championship Hosts that includes: 25 Competition discs, three Award Medals, five Event Posters, 25 Scoresheets, and one Procedure Manual. Hosts of Local Championships are permitted to solicit additional sponsorship of their Skyhoundz Local Championship to help defray costs associated with staging the event, but are not permitted to charge entry fees to competitors. If you choose to host a **Skyhoundz Local Championship**, you may choose to stage only the Distance/Accuracy event or you may choose to stage the Freestyle–Distance/Accuracy combined event. Please make your selection on the supplied event registration form and we will send you the appropriate awards to cover the format you choose.

For 2010 and beyond, Skyhoundz has added a new class of events to its competitive menu that will be known as **Skyhoundz State Championships**. This new class of competitions was created in order to address requests made by a number of Hyperflite Skyhoundz event Hosts, who have cited the increased costs of staging events as a burden and who have asked us to find ways to help them recoup their costs. One Host organization from every State may now choose to conduct a Skyhoundz State Championship for which a fee of up to \$15 per competitive entry may be charged. Because of the premium nature of the competition packages that will be supplied by Hyperflite Skyhoundz for these State Championship competitions, a small charge for the event package is required in order to stage a State Championship competition. Details are provided on the attached reservation form.

Two other opportunities exist for Hosts to stage contests for which entry fees may be charged. These two events are known as **Hyperflite Skyhoundz DiscDogathons** and **Hyperflite Skyhoundz Xtreme Distance Challenges**. Competition Packages, for DiscDogathons and Xtreme Distance Challenges are available for a modest charge.

DiscDogathon hosts custom tailor their events to serve the needs of the competitors who will be attending. DiscDogathons may include up to four of the following events: Boomerang, Bulls-eye, Distance/Accuracy, Extreme Distance, Freestyle, Spot Landing, TimeTrial, and their own Club Choice event.

Xtreme Distance Challenge competitions are long distance events with special classes for disc weight in both Women's and Men's Divisions.

In 2010 Skyhoundz will continue the policy of permitting other brands of plastic flying discs, which are safe, to be used in all of our U.S. events including the World Championship. This means that you do not need to supply each competitor with a Hyperflite disc to use. However, if you have enough discs, we encourage you to do so.

We look forward to hearing from you at your earliest convenience. Events are now being scheduled for 2010 and will be awarded geographically, on a first-come, first-served basis to the qualifying hosts who notify us via fax, email ([info@skyhoundz.com](mailto:info@skyhoundz.com)) or regular mail.

Sincerely,
