Dear Sir or Madam:

Thank you for your interest in Hyperflite Flying Disc Championship events. Hyperflite provides competition packages to qualified groups or organizations (hereinafter, "hosts") that wish to conduct flying disc contests as part of either, the Hyperflite Skyhoundz Canine Disc Championship or Hyperflite Youth Championship series. Event Hosts may choose to conduct either or both of these contests during the 2008 competition season (one Canine and one Youth event per city maximum per year).

In 2008 Skyhoundz and Hyperflite will continue the policy of permitting other brands of plastic flying discs, which are safe, to be used in all of our U.S. events including the World Championship. This means that you do not need to supply each competitor a Hyperflite disc to use however, if you have enough discs, we encourage you to do so.

Event Hosts that conduct either a Hyperflite canine or youth disc contest have a choice between two competition packages:

The **Deluxe Package**, which has been expanded for the 2008 season, is comprehensive and is available for only \$175 (Hyperflite's cost). It includes: 75-Competition discs, 4-embroidered Hyperflite Caps, 2-embroidered Hyperflite Sport Bags, 5-Packaged Specialty Discs (for prizes or to sell), 6-Award Medals, 10-Event Posters, 50-Scoresheets, 50-Certificates of Participation, 1-Procedure Manual and 1-Set of Personalized Publicity Materials. Park hosts are permitted to solicit local sponsorship for their contests to help defray costs associated with staging a Hyperflite event.

The **Basic Package** is offered free to group hosts and includes: 25-Competition discs, 3-Award Medals, 5-Event Posters, 25-Scoresheets and 1-Procedure Manual. Additional embroidered caps, discs, embroidered Hyperflite Sport Bags and Award plaques are available for purchase.

Many hosts opt for the more complete Deluxe package and seek the assistance of a local sponsor to help defray the costs associated with purchasing the package. Others sell the extra discs provided with the Deluxe package and thereby cover their costs. Whichever package you choose, be assured that hosting a Hyperflite Skyhoundz event will be a fun and memorable experience for your organization.

If you choose to host a Skyhoundz event, you may choose to stage only the Distance/Accuracy event or you may choose to stage the Freestyle-Distance/Accuracy combined event. Please make your selection on the supplied event registration form and we will send you the appropriate trophies to cover the format you choose.

We look forward to hearing from you at your earliest convenience. Events are now being accepted for 2008 and will be awarded geographically to the first qualifying hosts who notify us via fax, email (info@hyperflite.com) or postmark date.

Sincerely,

Peter Bloeme
Hyperflite/Skyhoundz
