Regardless of cut, winners will be determined by adding all rounds together.

### DISTANCE/ACCURACY/FREESTYLE TIE-BREAKER

If there is a tie for first, second, or third place, the tie will be broken by the following criteria, as necessary:

- 1) The competitor with the highest combined scores in the Athleticism and WOW!FACTOR categories from both Freestyle Rounds.
- 2) The contestant with the highest score in Distance/Accuracy.
- 3) A Face-off round will take place with each team receiving one Distance/Accuracy throw. The dog making the higher scoring catch will be declared the victor. If the teams are still tied after each has made one throw, Face-off continues until one dog makes a higher scoring catch than the other. Officials will permit the competitors to rest their dogs as necessary.
